EDUCATION

Hi-Tech Institute of Engineering and Technology	**2023 – 2027**
B.Tech in Computer Science and Engineering	*Ghaziabad, India*
New Modern Children School	**2020 – 2022**
Intermediate (Science Stream)	*Ghazipur, India*
S.B.K. Public Vidyalaya	**2018 – 2020**
High School	*Mau, India*

EXPERIENCE

Edunet Foundation ⬈   **Aug 2025 – Oct 2025**
Frontend Developer   *Remote*

- Built a doctor appointment website using the React.js, enabling seamless booking and management.
- Enhanced UI UX with form validation .

PROJECTS

Ai Career Coach ⬈ | React, Node.js, Express, MongoDB, Gemini Api ⌨   **2025-Till Now**

- Built a career guidance platform offering resume builder, cold email generator, career path suggestions. Integrated Gemini API for personalized content. Implemented secure authentication and responsive UI.
- Integrated **Axios** for API communication and **JWT** and **gemini api** with **bcrypt** for secure authentication.

Crossroad – College Tech Fest Platform ⬈ | React, Node.js, Express, MongoDB, Tailwind CSS ⌨   **2025**

- Developed a MERN stack platform for college tech fest management with event registration and responsive UI using **Tailwind CSS**.
- Implemented secure user authentication with **JWT** and API integration via **Axios**.

AgriConnect – Agri-Tech Platform ⬈ | React, Node.js, Express, MongoDB ⌨   **2025**

- Created a MERN stack platform for farmers with multilingual support, live commodity prices, and weather forecasts.
- Designed robust admin controls using **Express** and **MongoDB** for scalable data management.

TECHNICAL SKILLS

Programming Languages: C, JavaScript, Python.
Web Development: HTML5, CSS3, Javascript, TailwindCss, React.js, Express.js, Node.js, Framer-Motion, Gsap
Databases: MongoDB, My Sql
Tools: Git, GitHub, VS Code, Postman, MongoDB Compass, Cloudinary, Render, Netlify, Ai Tools, Figma
Concepts: RESTful APIs, JWT Authentication

COURSEWORK

- Data Structures & Algorithms (Basics)
- MERN Stack Developer
- Operating Systems
- Object-Oriented Programming

ACHIEVEMENTS

Competition: Secured 1st rank in Gambed Quiz Competition in the HIET Campus among 200 Students in 2024.
Achievement: Qualified as a Finalist in the National Level Technical Paper Writing Competition 2025.

CERTIFICATIONS

- *Introduction to Python − Infosys*
- *Web Development and Designing − Skill India*
- *Gambed Quiz Competition − Hiet*
