EDUCATION

Hi-Tech Institute of Engineering and Technology	**2023 – Ongoing**
B.Tech in Computer Science and Engineering	*Ghaziabad, India*
New Modern Children School	**2020 – 2022**
Intermediate (Science Stream)	*Ghazipur, India*
S.B.K. Public Vidyalaya	**2018 – 2020**
High School	*Mau, India*

EXPERIENCE

Tranquiex Technology ↗ **Backend Developer** — **Sep 2025 – Ongoing**, *Ghaziabad*

- Fixing bugs, and developing the core backend logic.
- Enhanced UI UX with form validation.

Edunet Foundation ↗ **Frontend Developer** — **Aug 2025 – Oct 2025**, *Remote*

- Built a doctor appointment website using the React.js, enabling seamless booking and management.
- Enhanced UI UX with form validation.

PROJECTS

Crossroad – College Tech Fest Platform ↗ | React, Node.js, Express, MongoDB, Tailwind CSS ○ **2025**
- Developed a MERN stack platform for college tech fest management with event registration and responsive UI using **Tailwind CSS**.
- Implemented secure user authentication with **JWT** and API integration via **Axios**.

AgriConnect – Agri-Tech Platform ↗ | React, Node.js, Express, MongoDB ○ **2025**
- Created a MERN stack platform for farmers with multilingual support, live commodity prices, and weather forecasts.
- Designed robust admin controls using **Express** and **MongoDB** for scalable data management.

TECHNICAL SKILLS

Programming Languages: C, JavaScript, Python.
Web Development: HTML5, CSS3, Javascript, TailwindCss, React.js, Express.js, Node.js, Framer-Motion, Gsap
Databases: MongoDB, MySQL
Tools: Git, GitHub, VS Code, Postman, MongoDB Compass, Cloudinary, Render, Netlify, AI Tools, Figma
Concepts: RESTful APIs, JWT Authentication

COURSEWORK

- Data Structures & Algorithms (Basics)
- MERN Stack Developer
- Operating Systems
- Object-Oriented Programming
- System Designing
- Data Analytics

ACHIEVEMENTS

Achievement: Awarded **1st Place** in the **National-Level Technical Paper Writing Competition 2025 Certificate**↗
Competition: Secured **2nd Position** in the **Tech Fusion Ideathon** at **IPEM College**, demonstrating innovation and problem-solving in a competitive event **Certificate**↗

CERTIFICATIONS

- *Python − Infosys*
- *Web Development − Skill India*
- *Gambed Quiz − HIET*
- *Introduction to Cloud Computing − Skill India*
- *Frontend Web Development − Edunet*
- *Ideathon − IPEMGhaziabad*

CAMPUS INVOLVEMENT

Student Coordinator – Institution's Innovation Council (IIC): Spearheaded the planning and execution of initiatives promoting innovation and creativity on campus.
Student Coordinator – Pathfinder Club: Contributed to student engagement and communication development initiatives, assisting in organizing activities that enhance peer collaboration and communication skills.
